Visit „Department of Polymer Engineering and Science and PCCL“

Visit the Department of Polymer Engineering and Science and the Polymer Competence Center in Leoben. Get to know the different institutes of the department and the impressive labs and machinery. Afterwards you can exchange information with our staff at a small buffet.

At a glance

Date: Friday, 25th of September
Meeting time: 08:45
Meeting point: Main entrance Messe Congress

Time	Program		
09:00 - 10:15	Transfer from Graz to Leoben		
10:15 - 11:00	Presentation of the Department of Polymer Engineering and Science and the Polymer Competence Center Leoben		
11:10 - 11:40	Group 1	Group 2	Group 3
	Guided tour Polymer Processing and Injection Moulding of Polymers	Guided tour Materials Science and Testing of Polymers	Guided tour Chemistry of Polymeric Materials
11:45 - 12:15	Guided tour Materials Science and Testing of Polymers	Guided tour Chemistry of Polymeric Materials	Guided tour Polymer Processing and Injection Moulding of Polymers
12:20 - 12:50	Guided tour Chemistry of Polymeric Materials	Guided tour Polymer Processing and Injection Moulding of Polymers	Guided tour Materials Science and Testing of Polymers
12:50 - 13:45	Get together with buffet		
13:45 - 15:00	Transfer back to Graz		

Company Visit „Anton Paar GmbH“

Anton Paar develops, produces and distributes highly accurate laboratory instruments and process measuring systems, and provides custom-tailored automation and robotic solutions. It is the world leader in the measurement of density, concentration and CO₂ and in the field of rheometry. Anton Paar GmbH is owned by the charitable Santner Foundation.
